

Summer Math Camp 2017

For Elementary and Middle School Students

Builds confidence with math as students prepare for the upcoming school year's math course, as well as ensuring your student has the confidence and foundation to succeed in the Common Core Curriculum.

This course provides guided assistance by two Jones Middle School teachers and practice using the ALEKS web based computer program.

Course includes:

- Registration and tutorial on the ALEKS program on Tuesday, May 30th at 4:00 PM in room 123 at Jones MS. This will last about 1 hour.
- Three class sessions weekly with guided assistance using the ALEKS program - 18 total sessions on Mondays, Tuesdays and Thursdays from 9AM to 10AM beginning Thursday, June 1st until Thursday, July 13th, except July 4th.

Progress report at end of course as requested.

Cost: \$205
