

Wickliffe "host" families sought to partner with new incoming families to school

Welcome Wickliffe 100 is an introduction "course" to Wickliffe for **incoming kindergarten parents** on May 9th, sponsored by the Parent WIG group. The evening will allow parents new to our school to find out about Wickliffe, learn how to get involved in their child's classroom, meet staff, get answers to questions, and learn about Wickliffe's MLV collaboration with Project Zero at the Harvard Graduate School of Education.

The Parent WIG would like to provide each **incoming kindergarten family and any family new to Wickliffe** with the name of a host family that already has a child at Wickliffe. The idea is for the host family to be a **resource and friendly face** to our new friends. We would encourage the host family to contact the "new" family sometime in the summer, either by phone or in person, and for the host family to be willing to answer questions that someone new to Wickliffe might have. We would appreciate your help with creating this **culture of community**.

If you would like to **volunteer to be a Wickliffe host family**, please fill out the form below and return it to the school office ASAP or you can e-mail Sabrina Walters at swalters@uaschools.org. Host families are not expected to attend the May 9th evening (or have another family move into their home!), but are welcome to attend if they'd like.

Thank you for investing your time in Wickliffe's future,

The Parent WIG
